American Studies: Past, Present, Future

November 30 - December 2, 2005

Co-organized and sponsored by

Kadir Has University, Istanbul

The American Studies Association of Turkey (ASAT)

and

The Embassy of the United States

"American Studies is a distinct interdisciplinary field that promotes a broad humanistic understanding of American culture past and present. American Studies is both multidisciplinary and interdisciplinary in character (incorporating elements of economics, history, literature, sociology, and art history, among others), and encourages scholars from diverse disciplines to exchange ideas on scholarship as it relates to the American experience."
